

diff_match_patch::match_bitap

```
graph LR; A[diff_match_patch::match_bitap] --> B[diff_match_patch::match_alphabet]
```

A diagram showing a transition from a shaded box on the left to an unshaded box on the right. A dark blue arrow points from the right side of the shaded box to the left side of the unshaded box. The shaded box contains the text 'diff_match_patch::match_bitap' and the unshaded box contains the text 'diff_match_patch::match_alphabet'.

diff_match_patch::match_alphabet
